

## PRESIDENT'S REST NOT COMPLETE ONE

Metcalf to Be Next  
Cabinet Member to  
Visit Him.

Root Scheduled to Call  
on Thursday or  
Friday.

President Roosevelt is not taking a complete vacation at the present time, by any means, and neither is any of the two or three Cabinet members who are away at the present time. It now appears that within a week the President will have been in personal conference at Oyster Bay, with several heads of the executive departments on matters of particular importance.

It has been two weeks now since the President left Washington, and the first Cabinet member to call on him for an important conference was Secretary Taft. The President took his departure while the Secretary of War was in the West, and the two had not been in conference for several weeks.

### Metcalf Next Visitor.

Secretary Metcalf, it now appears, will be the next Cabinet member to visit Oyster Bay. It is likely that he will drop around to Sagamore Hill tomorrow and go over with the President a number of important subjects pertaining to affairs of the navy. The thing that is occupying the most attention of the Secretary at this moment is the proposition to let the contracts for the two monster new battleships of the Dreadnought type.

### Root to Call Thursday.

Secretary Root also has a few things on his mind. The Secretary of State left Washington on last Friday to join his family at his summer home at Clinton, N. Y., for the remainder of the summer. He does not expect to return to Washington in the meantime unless urgent business calls him, but there is nothing to keep him away from Oyster Bay. In fact, it is understood here that he will take a run across the State to Sagamore Hill, Thursday or Friday, to talk over some affairs of state. Among the subjects to come up are questions that are being discussed at The Hague conference. The progress of the negotiations for a new tariff agreement with France also may interest the President. It is understood that Attorney General Bonaparte will write his way to Sagamore Hill within a few days.

## DEGREES FROM HARVARD GIVEN FAMOUS MEN

CAMBRIDGE, Mass., June 26.—Three of the foremost diplomats in the world were honored with degrees today by Harvard University: Ellhu Root, Secretary of State; James Bryce, British ambassador, and Jean Jules Jusserand, French ambassador to the United States, all received the honorary title of doctor of laws.

Other distinguished men given this degree were Luigi Amadeo, Duke of the Abruzzi, Italy, and Woodrow Wilson, president of Princeton.

The degree of master of arts was conferred upon Henry Arthur Jones, the famous English dramatist.

## "First Aid" to the Bowels

WHEN Heartburn, Sour Stomach, Headach, Bad Breath, coated Tongue, Belching of Stomach, Gas, or any of these forerunners of Indigestion appear, Old Dr. Cascaret wants to be right on the spot in your pocket.

Dr. Cascaret guarantees to cure the most obstinate cases of Constipation and Indigestion, without discomfort or inconvenience.

His medicine does not gripe nor purge, but exercises naturally the muscles that line the walls of the Intestines and Bowels.

Want of Exercise weakens and relaxes the Bowel-Muscles, just as it weakens Arm and Leg muscles.

Old Dr. Cascaret goes directly after these Bowel-Muscles. He wakes them up just as a cold bath would wake up a lazy person.

Then he works them (through the nerves) till they get so strong from that Exercise that they don't need any more help to do their duty.

Heavy dinners, late suppers, whiskey, wine or beer drinking, nervous excitement, sudden exposure to cold or heat and a dozen other everyday likelihoods tire the Bowel-Muscles.

In such cases a little Cascaret in time is worth fifty dollars worth of Treatment later on, to say nothing of the suffering, discomfort, loss of Business Energy, and loss of Social Sunshine it saves.

Little thin Cascaret Box, shaped so you don't notice its presence in purse or vest-pocket.

Contains six Candy tablets—Price Ten Cents a Box at any Drugstore's.

Be sure you get the genuine, made only by the Sterling Remedy Company, and never sold in bulk. Every tablet stamped "CCC."

## White Jap Silk Waists

Worth \$3.00

**\$1.98**

This season's prettiest styles, made of good quality White Habutai Japanese Silk—in smart tailor-made models. Made entirely of box plaits and small tucks between. All are tucked down the back.

## Men's \$4, \$4.50 & \$5 Trousers

A prominent maker of men's clothing had a lot of odd pieces and short ends of cloth left after filling the season's regular orders—quantity sufficient for making about 400 pairs of Men's Trousers. The cloth was useless to him—and he offered to make it up into Trousers for us at about the cost of time and labor. Thus it happens that we can offer this unusual bargain.

The garments are fashioned in the best possible manner of high-grade materials, such as all-pure worsted stripes, plaids, checks, pin stripes, and dark gray mixtures and tropical worsteds—the latter with cuff bottoms, belt loops, etc. Sizes 30 to 38 waist and 30 to 35 in seam.

These are splendid Trousers for business wear and for outings.

The qualities couldn't possibly be equaled in the regular way for less than \$4.00, \$4.50, and \$5.00 a pair. Tomorrow at \$2.65.
